

### **Terms & Conditions for Wellness Tests**

**By purchasing a test kit, you agree to the terms and conditions. No exceptions will be made.**

Please note, purchase of test kit DOES NOT INCLUDE health history evaluation, email/text correspondence, nutrition coaching or follow-up from Kelly. Purchase of this package does not make you an active client of Kelly Schmidt Wellness, LLC.

Unless you are a current client, Kelly cannot offer guidance as to which test(s) are appropriate for you. Please see information provided to make the best decision for you based on your symptoms and situation.

Once Kelly Schmidt Wellness, LLC gets your test results, we will contact you to schedule your interpretation consult. You can access your test results immediately at that time. The test interpretation consultation that is included in the price of the test must take place within 3 months of placing the order. It is your responsibility to schedule this appointment. Appointments scheduled after 3 months from purchase will not be honored.

Due to fees incurred when test is ordered, Kelly Schmidt Wellness, LLC cannot offer returns, refunds or exchanges on any test orders. These tests are cash-pay only. Kelly Schmidt Wellness, LLC does not participate in private insurance, but HSA cards are accepted.

Tests are not available in New York state, or outside the U.S. We can only ship to residential or business addressees; we cannot ship test kits to PO boxes.

Some of these tests require a blood draw. Getting the lab draw is your responsibility. Depending on the location and lab, additional draw fees may be required. To search for a draw center in your area, [please visit this site](#). If you cannot find a draw site in your area, please [email KELLY BEFORE](#) purchasing test kit. You may need to contact a traveling phlebotomist or ask your local physician to assist with blood draw.
